# Women's Leadership Committee

In 2007, a small group of dynamic women formed the Women's Leadership Committee of the Trust for the National Mall. The first benefit event they sponsored was a luncheon in a small tent on the National Mall. Ever since that first event, the Women's Committee has been a driving force in supporting the mission of the Trust.

The Trust for the National Mall invites you to join the Women's Leadership Committee to restore, enrich and preserve the National Mall with a minimum donation of \$1,000. Membership in the Women's Leadership Committee is also included as part of a patron sponsorship to the BALL *for* THE MALL.

**The Trust for the National Mall** is an official partner of the National Park Service dedicated to sustainably restoring and improving the National Mall.

The National Mall – the iconic grounds stretching from the U.S. Capitol to the Lincoln Memorial that hosts 33 million visits a year – is facing a backlog of more than \$840 million in needed repairs and improvements.

This public-private partnership for high-impact projects is designed to preserve and improve the grounds and structures that honor America's history, heroes and hope.
